Join co-pastors and authors Kent Carlson and Mike Lueken as they partner with Spiritual Formation Alliance to bring the hard-earned wisdom captured in their best-selling book, [Renovation of the Church](#) to local pastors.

Change is tough. Kent and Mike know first-hand. God hurled and humbled their thriving Oak Hills Church into a decade of it. The lessons they personally learned created a renovation project: it allowed them to

refocus, redefine and reorient themselves to lead their pastoral staff and congregation into the deeply authentic spiritual health that Jesus taught.
